NRB DAY, ACKNOWLEDGEMENT OF THE PEOPLE OF SOIL

People leave their own roots for better opportunities, for a better life keeping a piece of own country in the core of their heart, till the end. Thousands of talented people from Bangladesh is living abroad and contributing to the advancement of the world. In the fields of academic, social and economic progress, Bangladeshis have achieved outright praises for their brilliance and hard work, which is the reason of immense dignity for us. Moreover, the strong human energy of Bangladesh ensures the regular flow of remittance, making Bangladesh economically more stable and stronger than ever. NRBs also played a significant role during our war of Liberation and created world-wide pressure to release Father of the Nation Bangabandhu Sheikh Mujibur Rahaman alive in 1971. Now is the time to pay tribute to one of the strongest driving force, our pride, the Bangladeshi diaspora dwelling worldwide.

Non-Resident Bangladeshis (NRB) and People of Bangladeshi Origin (PBO) throughout the world are proving our nation's integrity and aptitude. Celebrating the NRB Day (Non-Resident Bangladeshi Day) would be the acknowledgement of their contribution, the connection between their present lives and their roots.

Let's build a bridge of identity, let's celebrate the heroes of our soil, and pay homage to the NRBs and PBOs.

Statement of the Chairman, Convener and Member Secretary

Scholars Bangladesh Foundation and Center for NRB Foundation were founded back in 2005 with a view to connect the Non-Resident Bangladeshis (NRB) and People of Bangladeshi Origin (PBO) with their roots. Scholars Bangladesh Foundation gives the scholars from Bangladesh, whether they live in Bangladesh or overseas, a great networking opportunity. Center for NRB Foundation is a common platform for the Bangladeshis worldwide to connect and contribute to the betterment of our country. Regardless of their location, all NRBs and PBOs are assets to the nation as they are advancing the world with their brilliance in the fields of science, technology, research, education and world politics. Scholars Bangladesh Foundation and Center for NRB Foundation are committed to be the bridge between them and their motherland by promoting and synchronizing their wisdom and hard work for a better tomorrow.

Recently 'Global NRB Business Conference 2017' was held in Sylhet to encourage NRBs/PBOs to actively participate in the nation's development affairs followed by Finance Ministry's First day-long Seminar to explore NRBs/PBOs participation, which is a very encouraging initiative.
